Subject: Save the Dates: Willrich Family Reunion May 22-24; Planning Meeting **Jan 24**

Dear Cousins,

This email list is almost two years old, so I'm sure a lot will bounce back. Please call your close cousins and let them know to send in current email and snail-mail addresses, so we can notify them about plans for our next reunion at LaGrange, on Memorial Day Weekend, May 22-24, 2009, at Camp Lone Star. We were unable to get the Camp at an earlier date, but this weekend has many advantages, including a Monday holiday for those who are driving a long distance. Warmer weather will also make the pool and lake activities better.

Katharine Powell and Alice and George Clarke have graciously consented again to host a Planning Meeting at their house at Muldoon, south of Cedar Cemetery, just off FM 609. The address is 3625 E. FM 2237, the first house on the right from 609, between Flatonia & LaGrange. From Austin, take Hwy 71 and turn off at 609. From San Antonio, take I-10 to Flatonia, turn north on 609. From Schulenburg, go north on 77, turn left at the Hostyn Road, cross over to Cedar Cemetery, turn south on 609.

We will plan to meet at **NOON on Saturday, January 24**. If you come earlier, we can hang out and chat, but we need to get the business all finished for those who need to get back home. I can arrange to see the Camp facilities after the meeting, for those who can stay.

We need all the help we can get for this Reunion, especially in the planning stages.

The Camp has personnel to help with activities, if we ask for their help, such as with children's art activities, life-guards, games, campfire, etc. However, we want the activities to be our own, to give plenty of opportunities to get to know all our cousins.

If you have a guitar or other musical instrument to play at the campfire, and can lead songs, please let us know. We also want to have our own song sheets this year. The campfire site is accessible to all, and sunset is later this time, so we hope everybody can participate.

Please respond to this email, to let me know if the address is good, and let me know if you can come to the Planning Meeting. I can get some Subway sandwiches, chips, drinks, etc., but I need to have some idea of how many to get.

If you know of anybody who has changed any addresses in the last 2 years, send the new addresses to willrichfamilyusa@yahoo.com. (Note: no dash in email address.)

The web page is <http://WillrichFamily-USA.org> (With a dash.) I will be checking the yahoo address frequently in the next few weeks.

Love,

Sue
